2. Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

This information is required to complete the record so that an analysis can be made under 35 U.S.C. 102 and 103 may be ascertained. Thus, the following information is requested:

A. The date of accessing account, event and organization attributes, performing one or more profitability calculations that were determined prior to the filing date of the present application or related applications.
